Celebrating with Our Valued Clients

Investor Retreat 2021 occurred May 21 at the new luxury hotel Thompson San Antonio, a property that received development funding from Houston EB5 investors. Between 50 to 60 investors and prospects attended and were treated to informational sessions and conversations. Vantage Bank, Baker Donelson, and Riverway Title were sponsors.

Bexar County Precinct Four Commissioner Tommy Calvert opened with welcoming statements and reiterated his commitment to Houston EB5. Wilka Toppins, from Baker Donelson, discussed how her involvement can help with the EB-5 Visa process and Vantage Bank's Eric Sanchez presented on his bank's services to the Retreat's attendees. Houston EB5 appreciates its valued investors and thanks those that attended the retreat.

Special Feature: Client Success Stories

Houston EB5 investor Francois P., a native of Paris, France, had confidence in our reputation based on our longevity and positive word-of-mouth conversations regarding our projects. One of the main reasons Francois enjoys investing with Houston EB5 can be summed up in one word; communication. "Houston EB5 is reliable, is always available to answer questions, and we are not left behind once we write our check," states Francois. "That is something I really appreciate, and I definitely recommend Houston EB5 to any investor."
