

HOUSTON EB5

PROJECT NEWS

Reaching New Heights

On January 13, The Residences at The Allen celebrated a major construction milestone -- the topping out of the 35-story hotel-condo tower. The event started on the 30th floor of the tower where DC Partners founder and CEO Roberto Contreras, along with development partners from Westmont Hospitality, TQ Real Estate Development, GT Leach, Abel Design Group, HOK, the DC Partners executive team and members of the press gathered for a beam signing. The beam signing was followed by a party where some 200 guests came out to celebrate this achievement.

The event was featured on the front page of the business section in the Houston Chronicle.

PROJECT NEWS

On Thursday, January 27th, interior designers from across the Houston metroplex gathered at Moderno Houston for a continuing education class taught by CEO and Founder, Roberto Contreras. The class covered all things porcelain, designed to inform interior designers about this sustainable alternative to marble and granite. Each designer in attendance received 1 continuing education credit, approved by both IDCEC and AIA.

INDUSTRY NEWS

“What Could Reauthorization Potentially Look Like?”

Following the EB-5 Regional Center Program's expiration on June 30, 2021, many interested immigrant investors have spent the past several months exploring other options.

After a lengthy wait filled with uncertainty, reauthorization could finally be around the corner.
